

PhD & Post-Doc Program at Logistikwerkstatt Graz, 7th & 8th May 2024

The idea

Enabling a nice and interesting exchange between PhDs from different universities.

Our approach

As simple and easy as possible. (A PhD's life is stressful enough)

Who's invited?

Our idea is to promote exchange between PhDs and Post-Docs, but Master students are also welcome.

What's covered?

We cover the conference fee. Please arrange accommodation and travel yourself.

What's on the program?

Conference Day - 7. May 2024

- Morning to Afternoon
 - Visiting the Logistikwerkstatt Graz Conference
- Evening
 - Doing some fun stuff in Graz (Evenings are quite beautiful at this time of the year)

PhD & Post-Doc Day – 8. May 2024

- Morning
 - Mobile Robot Showcase & Talk. Topics: ROS, Navigation, Object Detection, Sensor Fusion, ...
- Afternoon
 - Virtual Engineering & Digital Twin Development at ITL. Visiting Labs of ITL
 - Relaxed get-together at ITL. Exchange and networking between PhDs and Post-Docs.
- Kaffeehaus at Center of Graz
 - Coffee, cake and cookies (we're in Austria, after all)
- Evening
 - Doing some fun stuff (whatever comes to our mind)
