

# PhD & Post-Doc Program at Logistikwerkstatt Graz, 28<sup>th</sup> May 2025

## The idea

Enabling a nice and interesting exchange between PhDs from different universities.

## Our approach

As simple and easy as possible. (A PhD's life is stressful enough)

## Who's invited?

Our idea is to promote exchange between PhDs and Post-Docs, but Master/Bachelor students are also welcome.

## What's covered?

We cover the conference fee. Please arrange accommodation and travel yourself.

## What's on the program?

### Conference Days – 27<sup>th</sup> May & 28<sup>th</sup> May 2025

- Conference program as announced on the official website.

### PhD & Post-Doc Activities – Afternoon and Evening of 28<sup>th</sup> May 2025

- Afternoon
  - Get together at the Institute after the regular sessions of the conference.
- Sharing experiences, discussing research ideas and PhD work.
  - Relaxed and open exchange between Master's students, PhDs and Post-Docs. Guided tour of the institute and visit to the logistics laboratory on a voluntary basis.
- Evening (early)
  - Traditional Dinner „Brettljause“ at the institute
- Evening (late)
  - Doing some fun stuff (whatever comes to our mind)
